

## Camp@Home - Activities

This activity idea was originally part of a Durham Scouts Camp@Home event. It has been adapted for broader use as part of the Scouting from Home programme

Activities at home should always be risk assessed and supervised by parents/carers, taking note of the specific safety advice provided

## Egg Carton Crafts

The link to this idea was posted in the really useful [1st Virtual Scout Group](#) on Facebook, where there are lots of ideas for Scouting from Home – literally hundreds and hundreds of ideas to help Beavers, Cubs, Scouts and Explorer Scouts to have fun and earn some badges even if they can't yet meet face-to-face.

Camp@Home3 – [The Goat's Revenge](#) took place in October and we thought we'd share this idea from the great The Best Ideas for Kids website – [Egg Carton Halloween Crafts](#).

You'll need some egg cartons (or course), some thick paint in different colours (acrylic paint is best), some card, some marker pens and some lollipop sticks, googly eyes etc.

Of course, you don't just need to limit your egg carton crafts to Halloween ideas and you can come up with anything you like – there are 25 alternative ideas here: <https://www.thesprucecrafts.com/egg-carton-kids-crafts-4129406>

Making egg carton crafts can also meet the requirements of badges for our beavers or cubs (although that's no reason for older children and adults not to join in as well).
