

## Camp@Home - Activities

This activity idea was originally part of a Durham Scouts Camp@Home event. It has been adapted for broader use as part of the Scouting from Home programme

Activities at home should always be risk assessed and supervised by parents/carers, taking note of the specific safety advice provided

---

## Fossils

### What you need

- ½ Cup Cornflour
- 1 Cup Bicarbonate of Soda
- ¾ Cup Water
- Pan (Non Stick if you have one)
- Toy or other suitable item to make imprint

### What to do

- Place all items into the saucepan
- Stir constantly until it thickens
- Once thick turn off heat and leave to cool
- Once cool take it out of the pan shape into a ball and then imprint with your object and remove
- Leave to dry out (Will take a couple of days)
- Paint
