

Camp@Home - Activities

This activity idea was originally part of a Durham Scouts Camp@Home event. It has been adapted for broader use as part of the Scouting from Home programme

Activities at home should always be risk assessed and supervised by parents/carers, taking note of the specific safety advice provided

S'mores

If you're having a campfire what better excuse do you need that to make more S'mores?

Traditionally originating in the USA, S'mores are made with Graham crackers, marshmallows and your favourite chocolate

(<https://www.allrecipes.com/recipe/22146/smares/>).

However, with a lack of Graham crackers we have to be more creative in the UK.

During Camp@Home2 we held a s'mores competition but you can make s'mores at any time.

All you have to do is toast some marshmallows, use biscuits or crackers and chocolate. The rest is really up to you – they can be sweet or savoury (really?), and you can use whatever additional ingredients you like.

If you don't have a campfire it's possible to toast your marshmallows (slowly) over a candle flame – they taste just a great

As a family you can come up with different recipes and there are literally dozens of options you can chose from.

Here are some of the best ideas we've found...
